

Michigan Program in Survey Methodology

2014-2015 M.S. Course Requirements

Full-time (4 terms plus summer internship)

Statistical Emphasis

Name: _____ Date: _____

Fall, Year I (10-11)

- Biostatistics 601: Probability and Distribution Theory (4)
- Surv Meth 685, section 1: Statistical Methods I (3) **OR** Biostat 650: Applied Statistics I (4)
- SurvMeth 623: Data Collection Methods (3)

Winter, Year I (12)

- Biostatistics 602: Biostatistical Inference (4)
- Surv Meth 686, section 2: Statistical Methods II (3) **OR** Biostat 651: Applied Statistics II (3)
- SurvMeth 672: Survey Practicum (Data Collection) (2)
- Statistics 580/Biostatistics 617/ Sociology 717/SurvMeth 617: Sampling Theory (3)

Summer, Year I (0)

- Internship Completed: _____ Company: _____
- Internship Paper
- Internship focus group

Fall, Year II (13)

- SurvMeth 673: Survey Practicum (Data Analysis) (2)
- SurvMeth 720: Total Survey Error I (2)
- SurvMeth XXX: Advanced Statistical Modeling (3) **new course Fall 2014**
- SurvMeth XXX: Practical Tools (3) **new course Fall 2014**
- Cognate/Elective (3): _____

Winter, Year II (11)

- SurvMeth 618: Inference from Complex Samples (3)
- SurvMeth 619: Topics in Survey Sampling (3)
- SurvMeth 721: Total Survey Error II (2)
- SurvMeth 670: Survey Design Seminar (3)

Total Hours: 46-47

Notes:
